ALUMNI CHALLENGE RESULTS

The Alumni Challenge takes the top five Age-Graded scores for graduates from
the same high school and calculates a team score in points based on the Age-Graded placings
of those top five. Age Graded scores are calculated based on the performance of a runner
for that distance, in relation to the world record for that distance for their age and gender.

YEAR	10K	5K
2024	South Eugene	South Eugene
2023	South Eugene	South Eugene
